

Tampa FAASTeam - CFI Special Emphasis Program

If you plan on teaching and flying multi-engine, or complex/glass cockpit aircraft, you won't want to miss this workshop. Experienced flight instructor Dennis H. Whitley will guide you through some interesting scenarios of flying multi and complex aircraft. Learn how to advance into a more complex environment safely. Flying multi-and complex aircraft can be exciting and rewarding. We will learn how to apply this knowledge to other aircraft. We will cover the do's and don'ts, myths, rumors, of flying various complex aircraft. Please join us for an exciting, educational, and action packed morning!

Directions: From Interstate 4, Take Exit 25 - County Line Road. Proceed South Approximately 3.5 Miles, then Turn left onto Medulla Road. Proceed East 1.6 Miles, enter gate at Florida Air Museum and continue straight to Sun N Fun Drive. Turn left on SnF Drive and continue .2 Miles to FAASTeam building on left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
